Project Name: San Joaquin Marsh Campus Paving Project

Project Location: Riparian View is located between Michelson Dr. and Campus, Irvine, CA (see Exhibits A-B)

County: Orange

Description of Nature, Purpose and Beneficiaries of Project:

Irvine Ranch Water District's San Joaquin Marsh Campus opened in 2009. The existing parking lot area and walk paths of the San Joaquin Marsh Campus have degraded over time and now require repaving. This project will install asphaltic concrete (AC) paving in the San Joaquin Marsh Campus parking lot and access driveway. Storm drain improvements to the parking lot will collect and divert storm runoff from the paved parking lot. Two access gates will be installed along Riparian View, the road leading to the San Joaquin Marsh Campus.
