Terms and Conditions for Water Efficiency Home Survey

I am interested in reducing indoor/outdoor water use on my property and request assistance in doing so from an Irvine Ranch Water District (IRWD) Water Efficiency Specialist. By checking the box below, IRWD's Water Efficiency Specialist has permission to be on the property for the sole purpose of conducting a water efficiency survey, which may include a program test/review or reprogramming of the automatic water timer(s), inspecting water fixtures, conducting dye tablet toilet tests, turning shut-off valves, and/or a follow-up site visit. I acknowledge that any recommendations provided by IRWD's Water Efficiency Specialist are based on an analysis of water usage patterns, limited observations of the property, and professional judgement. I understand that I must decide if the recommendations will be instituted; and continue diligent observation, maintenance and management of the site to respond to changing conditions. I agree that Irvine Ranch Water District shall not be liable for damages to the property or claims resulting from a complimentary water efficiency survey, irrigation system evaluation, virtual evaluation, or from my possible use of IRWD's Water Efficiency Specialist recommendations.

I agree to the terms and conditions above
